

ALGORIUS NET WATCHER

END USER LICENSE AGREEMENT

Please read this Software License Agreement (the "License") before using the software (the "Software"). This license agreement is a legal agreement between you the end user (either as an individual or an entity, hereinafter the "User") and Algorius Software, hereinafter referred to as the "Copyright Holder". The software "Algorius Net Watcher" and any of its supporting documentation and associated hardware are herein after referred to as the "Product".

While installing by clicking on the button that indicates that you accept the terms of this Agreement and the "Next" button, you consent to be bound by and become a party to this Agreement. If you do not agree to all of the terms of this Agreement, click the button that indicates that you do not accept the terms of this Agreement and do not install the software, click the "Cancel" button to exit the installer.

Since the moment of clicking the Accept button you can use the Software in compliance with the conditions of this Agreement:

GENERAL

The Copyright Holder may amend or modify this License Agreement at any time.

Information contained in the product is subject to change without notice and does not represent a commitment or contracted obligation on the part of the Copyright Holder.

FREWARE LICENSE

The company Algorius Software provides a trial version of this software. This license agreement grants you non-exclusive rights to use the product with limited functionality (using the basic features of the program) absolutely free for unlimited time. The User may make a copy of the freeware version of this software for backup use only, and distribute it in its unmodified form at no charge. To obtain the Freeware license you are not required to purchase a registration key.

COMMERCIAL LICENSE

The Commercial license allows to install "Algorius Net Watcher" on one computer and use the product with full functionality. This is a payable and time-unlimited license.

After purchasing the registration key the User gets the Commercial license that allows to use "Algorius Net Watcher" fully without time limit.

It is prohibited to use the Software with the same registration key on more than one computer.

Each User, who has bought a commercial license, has a right to install and use all the product updates developed by Algorius Software without any additional payment for one year term starting from the date the purchase is made. When this period expires, the User has a choice either to buy a new version of the software at a discounted price and be entitled to install and use new updates for one year term, or just continue using the older product versions for unlimited time. All you'll need to do to get a discount is contact the sales department at Algorius Software.

Technical Support is provided to the User on condition that the User has purchased from the Copyright Holder a registration key to activate the Commercial software license.

The User may make a copy of the Product provided that the copy is intended for backup use only, as well as for replacement of a lawfully acquired specimen in case the original computer software is lost, damaged, destroyed or becomes unusable.

COPYRIGHT NOTICES

This software product is the intellectual property of Algorius Software company. All rights in the product including License Agreement Number, copyrights, licensing rights, patents, trademarks, trade secrets, design rights, engineering rights, moral rights, and any other intellectual property rights belong to Algorius Software company. These rights are not transferred as part of this agreement.

This program is protected by copyright laws and international treaties. Illegal reproduction or distribution of this program or any part thereof will result in civil, administrative or criminal liability by applicable law.

LIMITATIONS OF USE

You may not lend, loan, lease, rent, sell or distribute the registered product (or its copies) in any form, except for reselling, when the license key is registered immediately to the end-user company name.

You are expressly forbidden from making alterations or modifications, to adapt, decompile, disassemble, reverse engineer, or attempt to discover the source code without the expressed written permission from the Copyright Holder. It is prohibited to disclose your personal registration code to third parties.

LIMITATIONS OF LIABILITY

The Copyright Holder does not guarantee Software operation in situations, when the conditions described in the User's Manual are violated or in cases, when the User violates the terms of this Agreement.

Under no circumstances, including, but not limited to, negligence, shall the Copyright Holder, its subsidiary and parent companies or affiliates be liable for any direct, indirect, incidental, special or consequential damages that result from the use of, or the inability to use Algorius Software product or services. In addition, you release the Copyright Holder and its affiliates from any damages that you incur, and agree not to assert any claims against them, arising from your use of its products or services.

DISCLAIMER

To the fullest extent permissible pursuant to applicable law, the company Algorius Software disclaims all warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose. The Copyright Holder does not warrant that the functions contained in the product will be uninterrupted or error-free. Before you purchase a license you should evaluate the product and test the suitability and reliability of the product with your existing environment.
